

Cmail

e-Brochure Advertising Service

Cmail Marketing is a low-cost, high quality commercial real estate e-brochure advertisement. This revolutionary broadcast advertising service allows you to create an e-brochure and send it to a network of 130,000+ brokers, investors, owners, and tenants. Sign up to receive commercial investment listings via email for free.

HOW IT WORKS

Create an account

- Go to www.cmailmarketing.com
- Create a FREE new account or log into an existing account

Select from a variety of e-brochure formats

- Create a Single Property e-brochure using our Design Studio
- Upload your own HTML Single or Multi-Property Brochure (advertise up to 8 properties in one Cmail)
- Let us create a Custom Cmail for you (Single or Multi-Property)

Pick your target audience and send a broadcast

- Choose national or statewide distribution, designate transaction and product type
- Broadcast your message to users with matching preferences
- Track your campaign results

Get notified of properties that match your interests

- Set your preferences to receive broadcasts from other members based on location, property and transaction type

WHY IT WORKS

You reach a broad audience of qualified recipients

- Cmail is for commercial real estate only and is not intended for residential users or properties
- Cmail users are required to maintain a current, verified email address
- By strictly adhering to email marketing best practices and using a bonded sender to deliver email, we help prevent your messages from getting stuck in SPAM folders or blacklists

WHAT IT COSTS

- \$599.00 for National/\$149.00 for State (\$99 for each additional State)
- For only \$100 additional, we'll create a custom Cmail to your specifications
- Pay Per Cmail Order - no upfront investment
- Ask about Corporate Value Pricing Discounts - Receive up to 35% off!
- Full-Access members of a Catylist CIE or Commercial IQ receive 20% off every Cmail Property Order (discount does not apply to non-property orders or custom design charges)
- Receiving Cmail is FREE. Log into your account and set your preferences
